

# IMPORTANT MESSAGE FROM THE IRS

Life's a little easier with  **eitc**  
earned income tax credit

## If you qualify, you could get more back from the IRS when you file your taxes

If you earn less than \$48,279 and you have a:

- Child, brother, sister, grandchild, niece, nephew, stepchild, or adopted child living with you

– OR –

If you earn less than \$18,440 and you:

- Have no children
- Are at least age 25 and under 65

You may be eligible for the Earned Income Tax Credit.

You may be eligible to get a bigger tax refund, even if you did not have any tax withheld or you are not required to file a federal income tax return.

However, you **must** file to claim and get the Earned Income Tax Credit.

To learn more about **EITC** and what you need to do to get it, go to [www.irs.gov/eitc](http://www.irs.gov/eitc) or talk to your HR department.
